WCFPS WALKS PROGRAMME OCTOBER TO DECEMBER 2026

Updated date & Time: 24/11/2026 07:40

Walks normally take between 3 and 5 hours (including a lunch break). Please check the weather forecast and always wear suitable clothing and footwear, bring water and packed lunch. In extreme weather conditions contact the walk leader to check for cancellation. Walks are largely on recognised Public Rights of Way. Many walks will include stiles and some rocky paths with mud, and there may be livestock. Dogs are to be kept under control at all times. You walk at your own risk.

Car share whenever possible. WCFPS "Footies" WhatsApp group is available for those who want/need to get to walks without a car.

To submit a walk, fill out the Walk Submittal Form on the WCFPS website. For any questions about leading a walk please contact the walks secretary at: walksec@wcfps.co.uk. If you have questions about a specific walk please contact the walk leader.
